

SWEEPMASTER 300

FEATURES:

- Easily adjusted broom down pressure
- Quick view of water tanks
- Advanced hitch/towing package
- Certified roll-over protection structure
- Swing up hood for easy engine access
- Available with 6' or 8' brush

Proven and accepted as #1 leader in the rental sweeping industry, the Lay-Mor Sweepmaster 300 is operator friendly and is easily transported from job to job. There is no need to raise the front wheel off the ground for towing purposes and the tongue can pivot right or left and up and down for faster and easier hook-up. More easily accessible maintenance allows for servicing the unit quicker and simpler than competitive products.
