

# Rental Equipment Protection

## BENEFITS OF RENTAL EQUIPMENT PROTECTION

Rental Equipment Protection (“REP”) from MacAllister Rentals provides you with help for costly repairs when damage occurs or machine replacement if there’s a total loss. If you don’t carry insurance for rented equipment, MacAllister Rental’s REP program:

- Helps limit your financial responsibility for a covered total loss or damage to rented equipment.
- Offers hassle-free claims in the event of a loss.

## LIMITATION OF LIABILITY

The REP limitations apply per each machine rented. In the event of covered loss or damage to rental equipment, your liability is limited toward repair or replacement cost, up to \$250,000 per incident, as follows:

<u>Equipment Value</u>	<u>Claim Limit</u>
Under \$25,000	\$1,000
From \$25,000-\$50,000	\$2,500
Over \$50,000	\$5,000

*MacAllister determines equipment values in its sole discretion at the start of the Rental Period in its then-current condition.*

## EXCLUSIONS / TERMS / CONDITIONS

Some damages or losses are not covered, including claims involving:

- Cranes
- Land Clearing with Fecon or XHP Attachment
- Demolition
- Paint Overspray
